Treasurer's Report *approved unanimously*

**II. Structure and Finance – Carlos V.**

- Nothing to report.

**III. Public Information –Billy U.**

- Responded to 6 helpline calls; 11 emails to the website.
- PI&O outreach booth at NYC Pride was successful.
- Folsom East solicited NYCMA to have a booth again this year. We did not respond because there was no Intergroup meeting scheduled before the event in order to garner interest or support, and fellows who had headed up our booths in prior years were no longer in the NYC area.
- Question was raised as to what more PI&O would like to do, or be doing, and what resources are needed from the fellowship in order to accomplish this. Response was: what is needed is enthusiastic fellows with outreach ideas willing to execute them. A two-person committee is only able to handle keeping up with the calls and emails and other website-related tasks, with very little outreach. Basic level outreach requires more people giving more ideas, suggestions and follow-thru.

**IV. Public Officer Report – Roger S.**

- Not present.

**V. Hospitals and Institutions – Vaughn B.**

- Not present.
- Due to multiple absences, NYCMA Chair will reach out to Vaughn to find out if he is interested in continuing with H&I and if he will be in attendance next month.

**VI. Literature Chair – Jono M**

- Latest CRYSTAL CLEAR Newsletter is online.

- David H. has been hosting the “Sex In Sobriety” pamphlet talkback/feedback sessions. CMA World is trying to put this pamphlet together, in cooperation with other areas, in order to appeal to the broader base of the entire fellowship.
- Sober toolkit is also in the works.
- Potential new pamphlet around topic of our sexual ideal.

#### **VII. Literature Clearing House Coordinator – Jeff S.**

- Sales of literature, chips, and "Expressions of Hope," are slow and steady.
- Discussion was had regarding implementing a purchasing structure for literature that ensures closer accountability.

#### **VIII. GSR Coordinator – Norm I.**
